GOLDING KITCHEN

The kitchen combines traditional craftsmanship with modern convenience. A large central island serves as the focal point, providing additional workspace, seating, and opportunities for social interaction. Warm walnut accents, creamy cabinetry, and brass fixtures create a balanced and inviting atmosphere.

GOLDING DINING

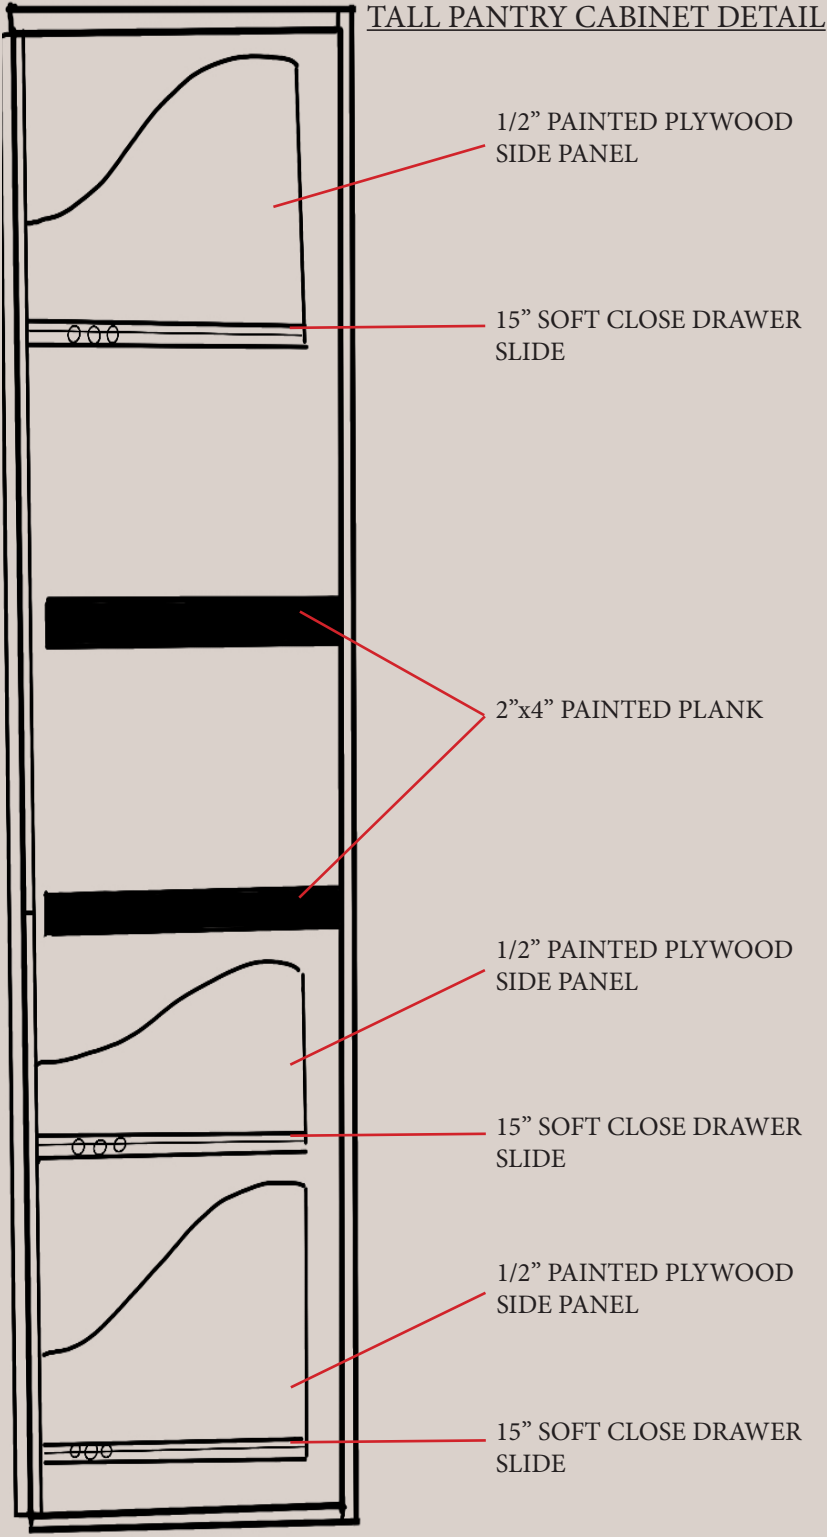

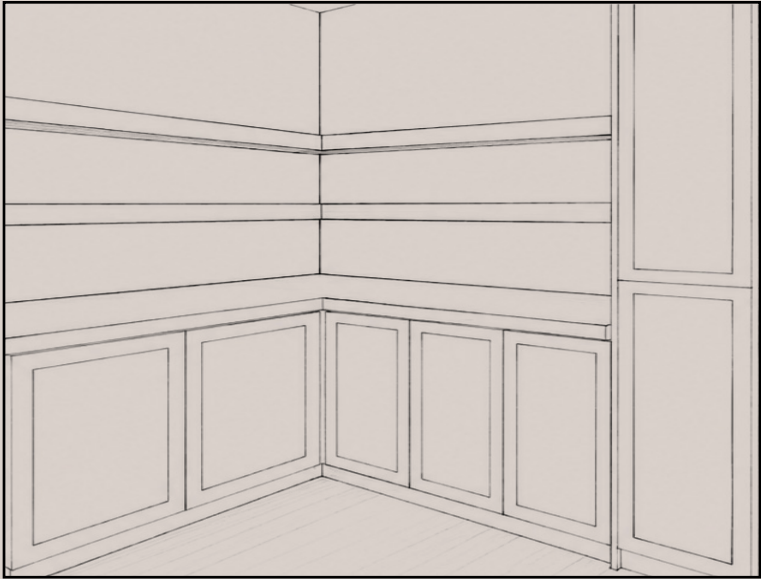

The dining room extends the warmth of the kitchen through coordinated finishes and furnishings. Natural textures, rich wood tones, and soft lighting create an environment that feels both refined and comfortable for everyday meals and special gatherings.

GOLDING PANTRY

The pantry was designed to maximize organization and storage while maintaining visual consistency with the adjacent kitchen. Full-height cabinetry, adjustable shelving, and dedicated storage zones provide efficient solutions for food, appliances, and household essentials.

HOTEL RESTAURANT & GUEST LOUNGE

The restaurant was designed to deliver an upscale dining experience that complements the boutique character of the hotel. Rich materials, intimate lighting, and elegant detailing create an atmosphere suitable for both casual dining and special occasions.

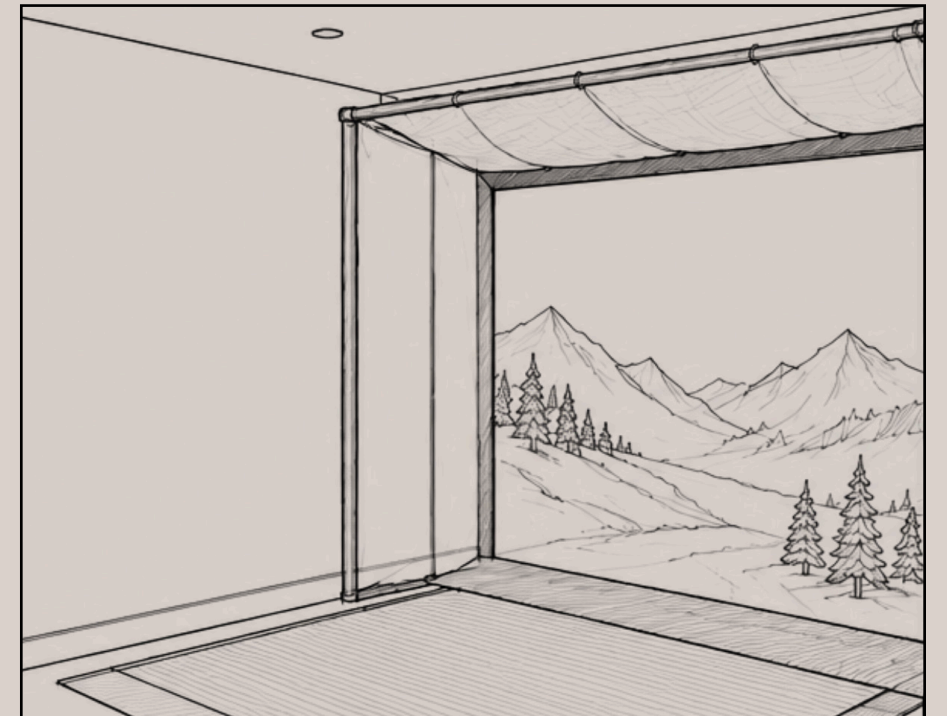

The second-floor lounge serves as a social hub for guests, combining hospitality and recreation within a relaxed environment.

SECOND FLOOR AMENITIES:

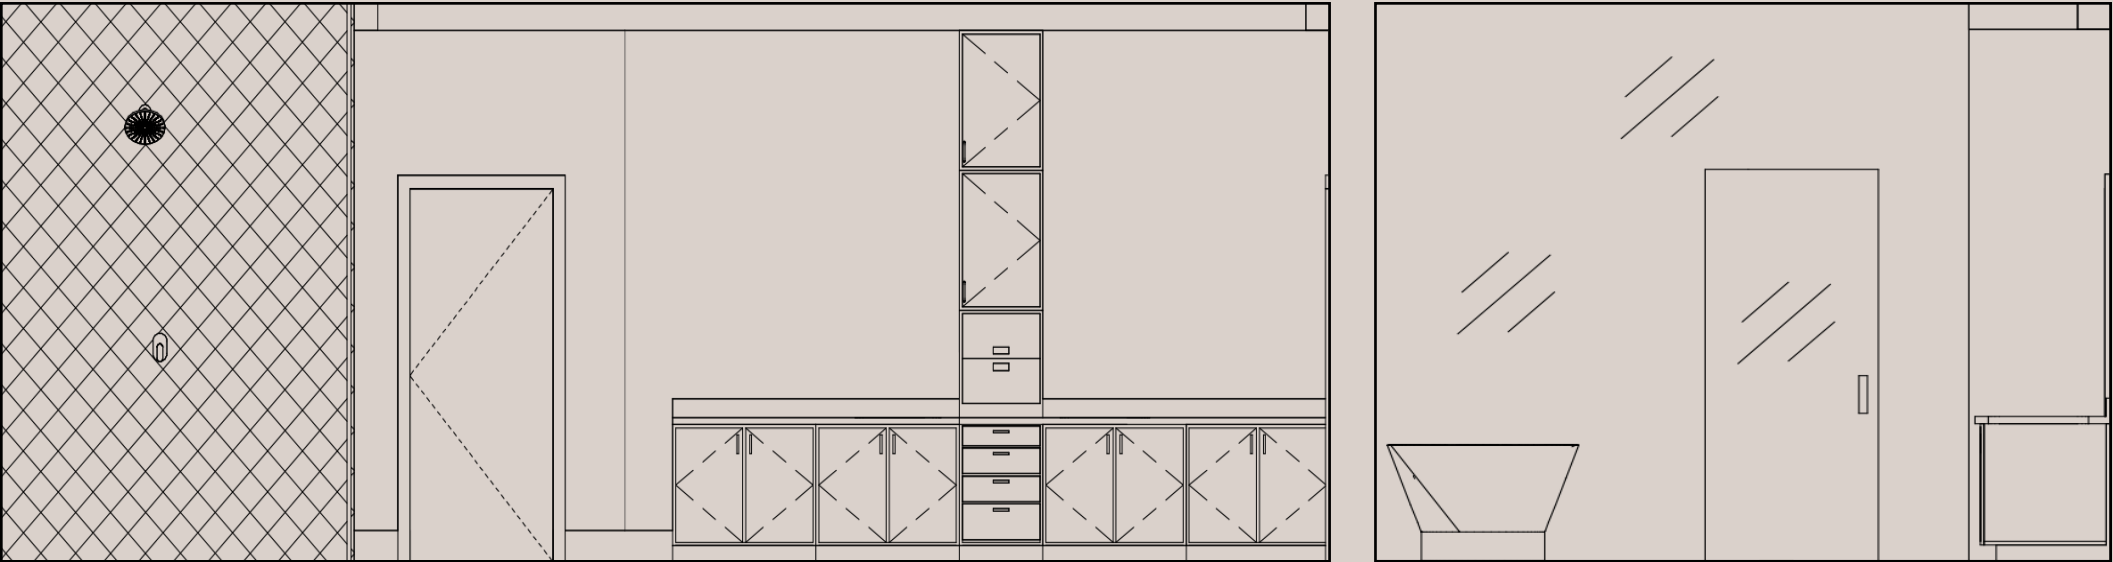

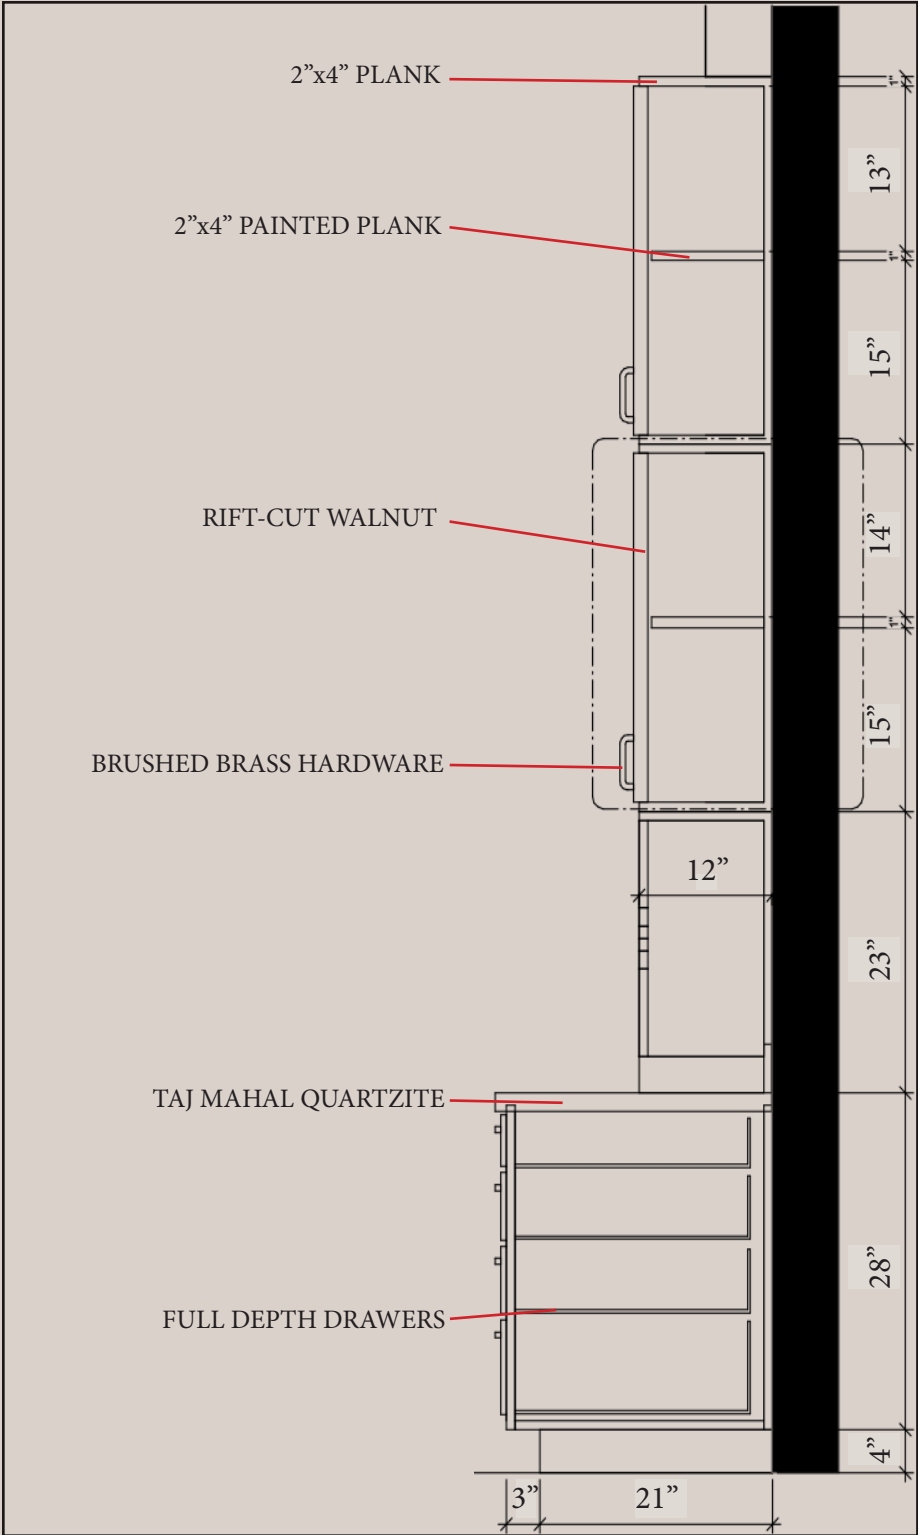

- Ski & snowboard simulator rooms
- Casual lounge seating
- Group gathering spaces
- Flexible entertainment areas
- Pool table and two 65" TVs

HOTEL GUEST SUITE

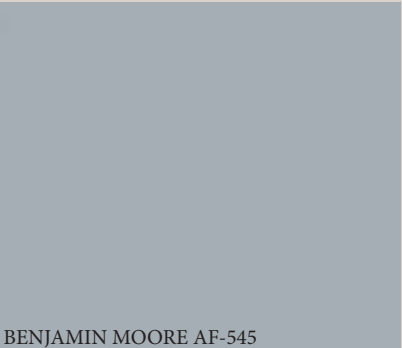

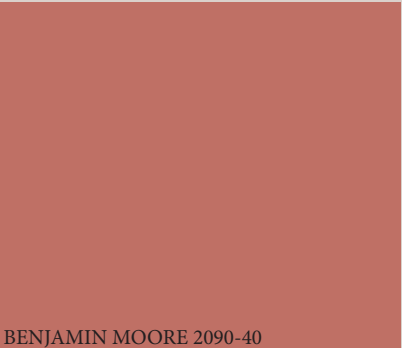

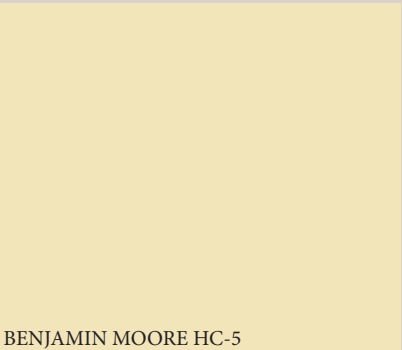

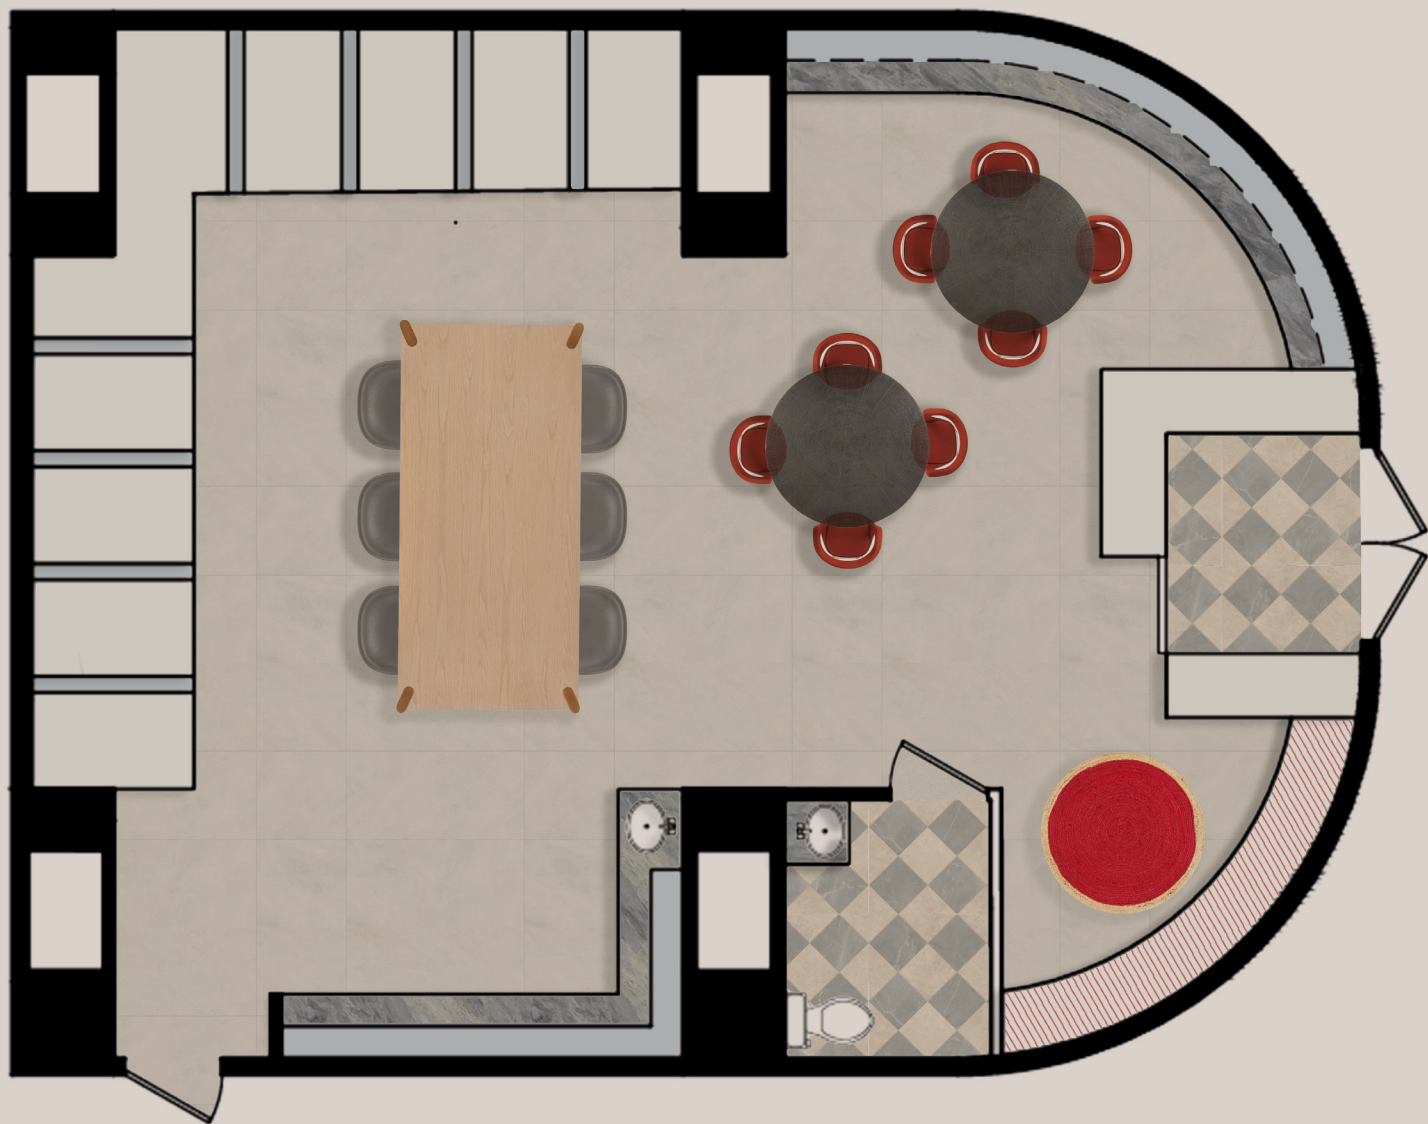

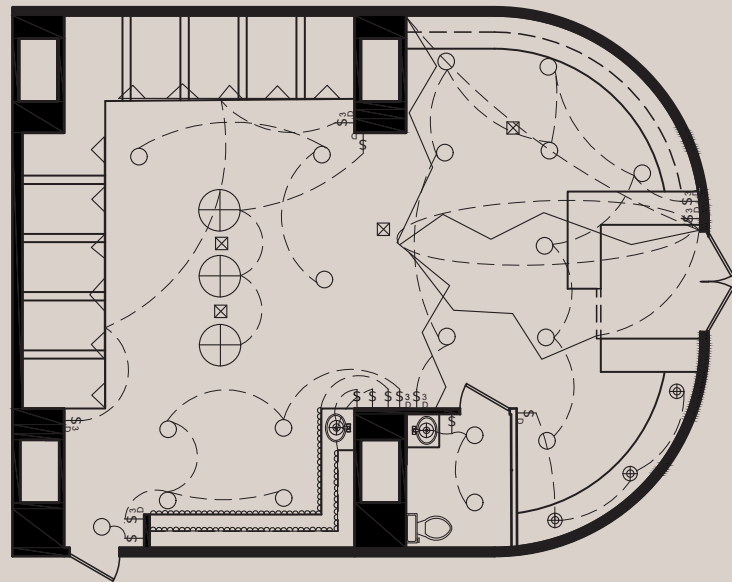

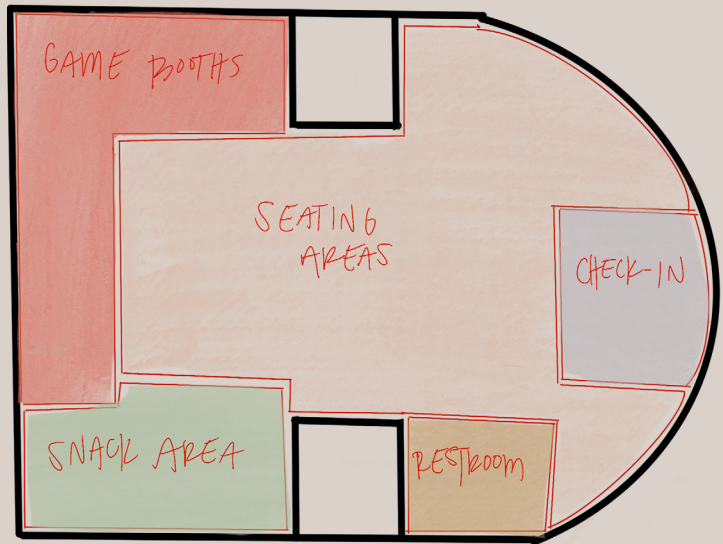

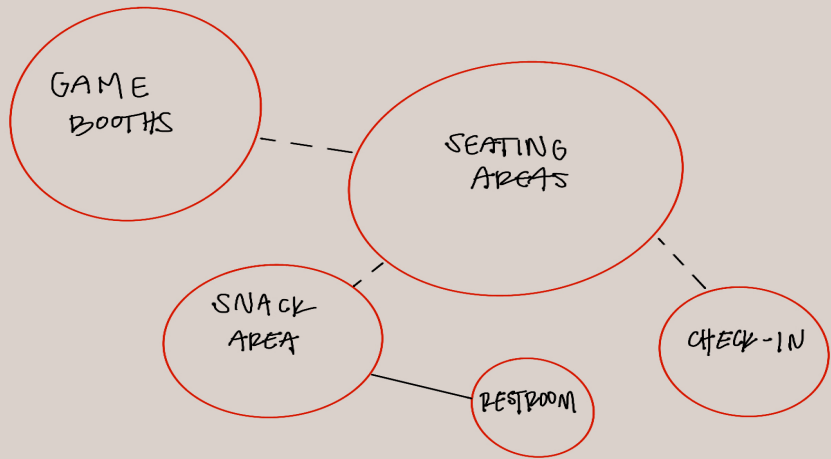

The guest suites were designed to offer the comfort of a luxury residence while maintaining the efficiency of a boutique hotel. Generous floor-to-ceiling windows frame views of downtown Salt Lake City and the surrounding mountains, creating a memorable connection to place.

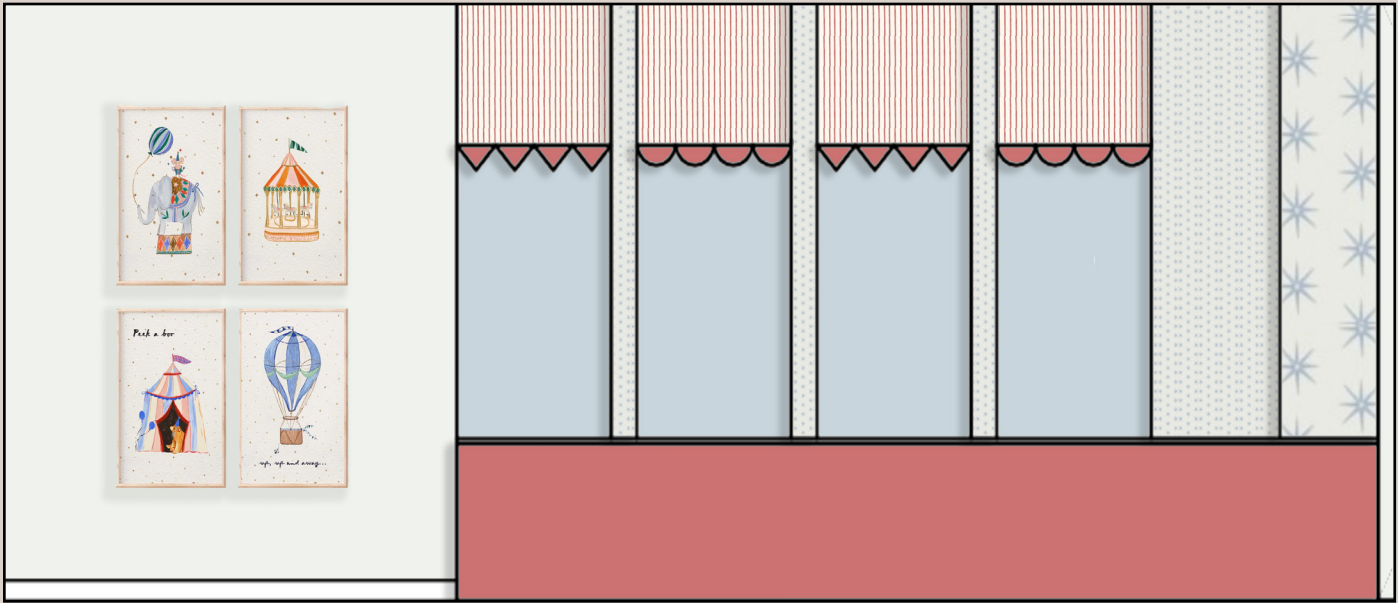

CRUISE SHIP KID'S CLUB

Inspired by the excitement and nostalgia of a classic carnival, this cruise ship kid's club was designed to create an engaging environment where children can play, learn, and socialize throughout their voyage. Playful colors, whimsical patterns, and interactive spaces encourage creativity while maintaining a safe, ADA accessible, organized layout for both children and staff.

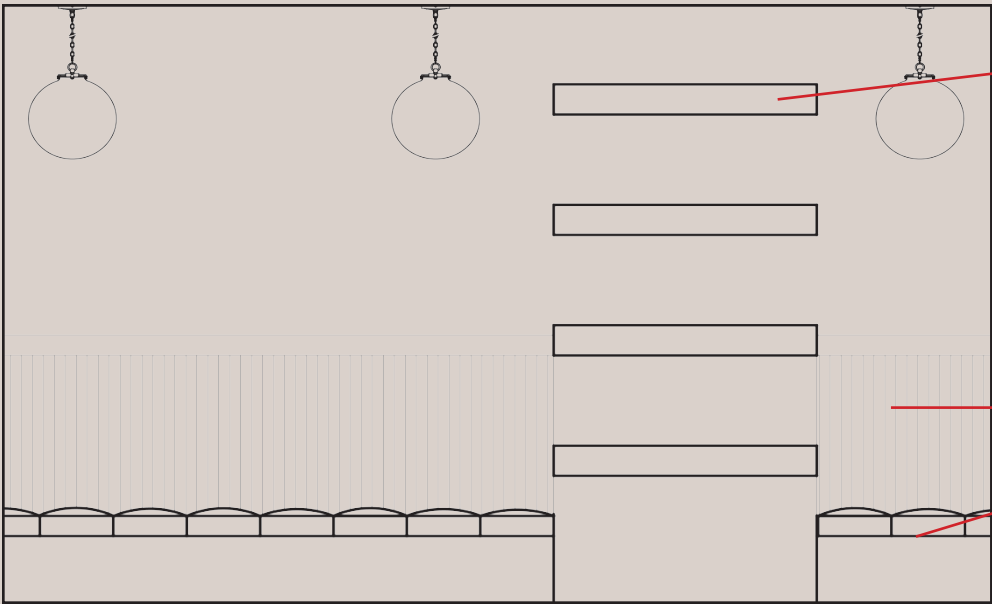

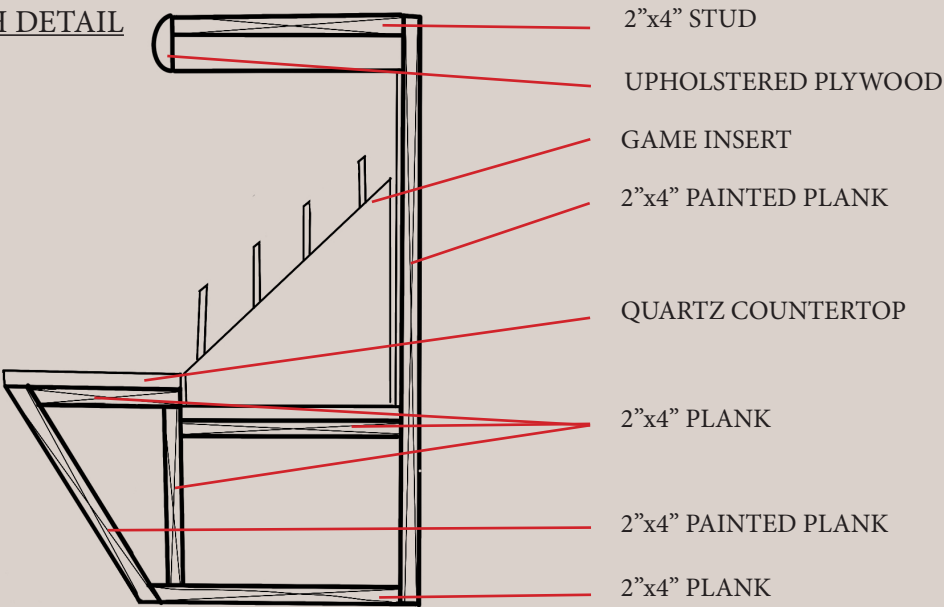

KID’S CLUB GAME BOOTH & SEATING AREA

The game booth area serves as the heart of the club, providing a playful gathering space inspired by vintage carnival midway attractions. Custom booth seating, decorative millwork, and themed finishes create an environment that feels both imaginative and inviting for children of all ages.

KID’S CLUB SNACK AREA & RESTROOM

Designed as a convenient gathering point, the snack area allows children to take breaks between activities while remaining connected to the main play spaces. Durable finishes and easy-to-clean materials support the demands of a cruise ship environment while maintaining the project’s whimsical aesthetic.

The restroom was designed with young users in mind, incorporating age-appropriate fixtures, accessible layouts, and playful finishes. Bright materials and intuitive organization help create a comfortable and welcoming experience for children.
