WELCOME TO ENSIGN COLLEGE

Your experience at Ensign College will be unique and wonderfully rewarding. Our focus as an institution is to help you develop market-ready skills in a spiritually enriching, testimony building, and uplifting environment. Here, you'll learn by doing as you grow and become a capable and trusted disciple of the Savior.

Your educational pursuits at the College are intended to prepare you to become valuable employees and trusted leaders over a lifetime. I invite you to make every moment count in positive and productive ways. Be a dedicated student by preparing each day for rich learning experiences. As you do so, the Holy Ghost will be your Master Teacher in deep and powerful ways.

Live a worthy life and take advantage of our proximity to the numerous Houses of the Lord by being a frequent temple patron as conditions permit. I also invite you to make attendance at our weekly devotional a priority and part of your personal worship. As you do these things, I promise you'll be lifted, edified, and strengthened in ways you can hardly imagine.

I welcome you, warmly and sincerely, to Ensign College and look forward to personally greeting each of you.

Best regards,

Ruce C. Kusur

Bruce C. Kusch, Ph.D. President, Ensign College

MISSION OF ENSIGN COLLEGE

Ensign College is an institution of higher education founded and sponsored by The Church of Jesus Christ of Latter-day Saints.

The school's mission is to develop capable and trusted disciples of Jesus Christ.

As an institution, we seek and follow the counsel and guidance of inspired leaders in harmony with The Church of Jesus Christ of Latter-day Saints, its purposes, and in fulfilling our stated mission.

CLEAR THE PATH TO GRADUATION BY TAKING THE

ALEKS

Math Placement Test!

The ALEKS math placement test is required for all degree-seeking students. Avoid registration and graduation delays by scheduling your practice test today!

The placement test consists of three parts:

Practice test – Determines what you need to cover in the study modules.

5 Hours of study modules – Helps with concepts you missed and can prepare you for a more advanced placement.

Official placement test – Determines which math class you take. You can schedule the test no sooner than 48 hours after you take the practice test.

IMMERSIVE LEARNING AT ENSIGN COLLEGE

Ensign College students are immersed in learning environments where they act as agents of their learning to develop essential personal traits and professional capabilities.

Students are invited to study and learn by faith as they seek the gifts of the Spirit to develop as capable and trusted disciples of Jesus Christ.

The outcomes of deep learning include capability, competence, and confidence to enter the world of work prepared to make significant contributions. Learners prepare to demonstrate and articulate to employers what they know and what they can do.

Experiencing Sexual Discrimination? The Title IX Office Can Help.

We help maintain a safe and respectful learning environment by coordinating the college's efforts to prevent and respond to sex discrimination, sexual harassment, and sexual misconduct. We also help with pregnancy accommodations and parenting concerns.

Struggling in class? Are there limitations that are impacting your educational experience?

<u>Learn more about academic accommodations at</u>
<u>the Disability Services Office</u>

The Outpost is your stop for Ensign College gear, or a bite to eat. Stop in for a break with your friends.

We also have a mini-mart on the 5th floor with a variety of food, beverages, and snacks.
